

Nature Finance Certification Alliance

22nd May 2024

Co-chaired by Ed Heather-Hayes
& Simon Herko

Nature Finance Certification Alliance (NFCA) is hosted by Fife Coast & Countryside Trust & Iconic Blockchain. Scottish Forum on Natural Capital is hosted by the Scottish Wildlife Trust.

Mission

In co-ordination with other key membership organisations and public institutions, including the BSI, help establish a holistic and comprehensive set of UK standards for Nature Finance transactions, using Scotland as a test-bed for innovation.

To include plain English guidance for:

- Communities and Local Authorities
- Landowners and Land Managers
- Businesses & Enterprises
- Project developers, including eNGOs working in Scotland.
- Marketplaces, Funds and Brokers (UK and International)
- Buyers (including CSR) and investors (UK and International).
- Codes and standards bodies.

NFCA

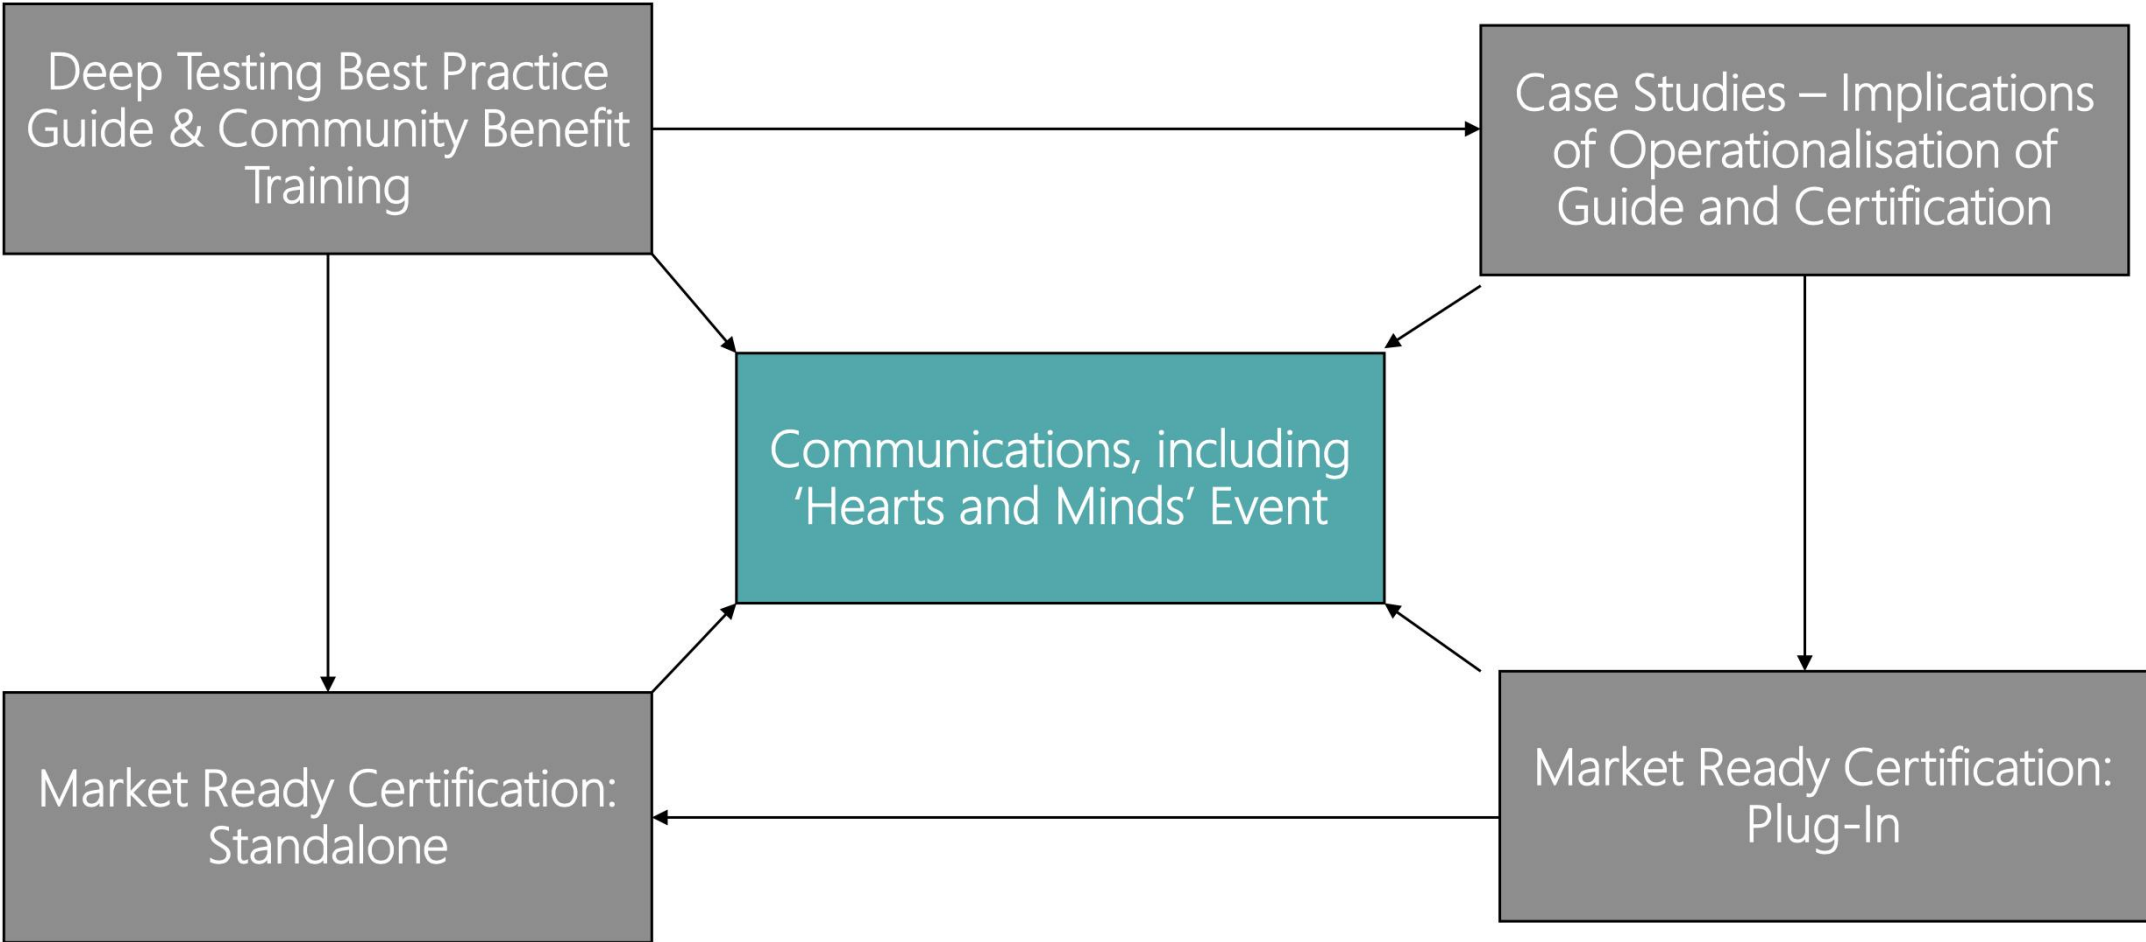

Today's Agenda

- Introductions/Networking (including guests Wilder Carbon, Great Yellow Earth & Natural Resources Wales)
- Civitech Nature Credits Update (CreditNature)
- Peatland Code discussion
- Community Benefits Standard development – open invitation to NFCA membership to be involved
- Role of NFCA discussion

NFCA

Community Benefit Certification: Phase 2

Nature Finance Certification Alliance

PHASE 2 GOVERNANCE

Mission: NFCA community certification will de-risk projects & provide assurance to ensure environmental and social impacts are realised.
